

## Recommendation Letter

I am pleased to write this letter of recommendation for Oleksandr Chernetskyi, who has been a valued member of Mindnow for the past four and a half years as a Frontend Developer. Throughout his tenure with us, Oleksandr consistently demonstrated exceptional technical expertise, a strong work ethic, and a highly collaborative spirit.

As the VP of Culture and HR at Mindnow, I had the pleasure of closely observing Oleksandr's work ethic and performance. He demonstrated a strong proficiency in frontend development, consistently delivering high-quality work on time and within scope. Oleksandr's technical expertise was evident in his ability to tackle complex projects with efficiency and precision. He has an in-depth understanding of modern technologies, writes clean and efficient code, and is always eager to stay up-to-date with industry trends. His ability to solve complex problems, optimize performance, and create seamless user experiences has significantly contributed to the success of numerous projects.

Beyond his technical abilities, Oleksandr is a fantastic team player. He works well in cross-functional teams and is always willing to help colleagues when needed. His positive attitude, adaptability, and commitment to excellence make him a pleasure to work with.

I highly recommend Oleksandr for any frontend development position. He would be a valuable asset to any team, bringing both skill and professionalism to any project he undertakes. Please do not hesitate to reach out if you require further information.

Sincerely,

Sanela Radivojevic, VP of Culture and HR
